Stem Campers (ages 6-12) will work together on educational projects each week. They will apply core scientific concepts to design, build, test, and experiment based on their age and learning level. STEM Camp will engage your children all summer with daily field trips, hands-on projects and classes, academics, athletics, and crafts. The camp is open to public, private, and homeschooled students.

ENGAGING SPORTS, FIELD TRIPS, ARTS & CRAFTS, GAMES & FUN!
