

## **Young Explorers Camp 2026**

### **Week 1 - Under The Sea Adventure**

Dive Into Discovery!

During “Under the Sea Adventure” week, young explorers plunge into an exciting ocean adventure filled with creativity and discovery. Throughout the week, campers learn about fascinating underwater creatures, explore ocean habitats, and bring the sea to life through hands-on arts and crafts. From creating colorful sea creatures to discovering the wonders of life below the surface, every activity is designed to spark curiosity and imagination.

### **Week 2 - Dinosaur Discovery**

A Roaring Adventure Through Time!

During “Dinosaur Discovery” week, young explorers travel back to a time when dinosaurs ruled the earth. Throughout the week, campers learn about different dinosaurs, their habitats, and what life was like long ago through hands-on activities and imaginative adventures. From exciting dinosaur hunts to creative projects inspired by the prehistoric world, every day is filled with discovery, curiosity, and fun.

### **Week 3 - Outer Space Explorers**

Blast Off Into Adventure!

During “Outer Space Explorers” week, young adventurers launch into an exciting journey beyond Earth. Throughout the week, campers discover the wonders of space, learning about galaxies, planets, and space missions while building imaginative rocket ships and spacecraft. Hands-on activities and creative projects bring space exploration to life, inspiring curiosity and a sense of adventure.

### **Week 4 - Transportation Station**

On the Move and Ready to Explore!

During “Transportation Station” week, young explorers set off on an exciting journey through the world of transportation. Throughout the week, campers learn about different ways people travel by land, air, and sea while creating imaginative cardboard vehicles and participating in hands-on activities. Through play-based learning and creative projects, kids discover the basics of road safety and how transportation helps connect our world.

### **Week 5 - Farm Friends**

Barnyard Bonanza!

During “Farm Friends” week, young explorers are welcomed into the lively and playful world of the farm. Throughout the week, campers discover all about their favorite farm animals and learn how life on the farm works through hands-on activities, imaginative play, and creative projects. From crafting adorable farm animals and building barns to playing farm-themed games and enjoying stories and movies inspired by life on the farm, every day is packed with excitement and learning. The week ends with a special farm-themed show-and-tell celebration, where children proudly share their projects and favorite discoveries with friends.

### **Week 6 - Music & Melody**

Let the Rhythm Begin!

During “Music & Melody” week, young explorers dive into the joyful world of sound, rhythm, and creativity. Throughout the week, campers experiment with instruments, explore beats and melodies, and create music of their own through hands-on activities and playful discovery. From learning how music is made to expressing themselves through sound and movement, every day is filled with energy and imagination.

### **Week 7 - Mini Picassos**

Big Creativity for Little Artists!

During “Mini Picassos Camp” week, young explorers step into a colorful world of imagination and artistic discovery. Throughout the week, campers experiment with playful art techniques, learn about famous artists, and work together on creative projects like group murals and hands-on masterpieces. From bubbly creations to showcasing their work in a mini art gallery, every activity encourages self-expression and confidence.

### **Week 8 - Little Chefs**

Cooking Up Fun and Creativity!

During “Little Chefs Camp” week, young explorers step into the kitchen to discover the joy of food, creativity, and imagination. Throughout the week, campers dress the part, explore chef-themed stories and movies, and create playful food art using colorful fruits and ingredients. Hands-on activities and imaginative play help children learn about food in a fun, age-appropriate way.
